March is here! This month seems to bring that tease of Spring to all of us. The warmer weather bursts, longer hours of daylight, snow melting, etc.

On February 18, we hosted our second COVID 19 vaccination clinic. Together, we were able to provide over 130 vaccines to fellow tenants, employees and Essential Caregivers. Thank you for being a part of this big day! Our next clinic is March 18 for those still needing to receive their second dose.

Our COVID 19 support group that meets every two weeks continues to be a big success amongst those who attend. Together we talk about our thoughts on the pandemic, how it affects you and me, and any changes that we are working on. If you are interested in attending, please do!

Welcome back to the Dining Room! This last month we reopened our Dining Room. Thank you for being patient with the current dining schedule and safety precautions we are required to follow. We are so happy the dining room is available, and look forward to continuing to serve you each meal. I understand there can be confusion with what day you are supposed to attend, etc. Additional reminders will be placed in the elevator and also at the front desk with the schedule.

As always, thank you for your ongoing support, patience and understanding as we continue to navigate COVID 19. The last 12 months have been crazy, and full of changes, and we are so thankful for all of you!

All the best,

Meghan Eakins

Mark's Maintenance Tip of the Month

We are excited to see so many new faces moving into All Saints. I want to introduce myself. My name is Mark Stemmer, your Regional Environmental Services Specialist. I travel between 3 to 5 Tealwood buildings per week making sure they all meet safety standards and are in good repair. Unfortunately I am not at All Saints every day, so if you have a maintenance request, please call or stop by the front desk and let them know what the concern is. Please be specific as possible with your request. They will send this information to me electronically. Based on the level of severity, I will come as quickly as possible; otherwise, I will respond to your request when I return to the building.

Thank you for your understanding.

You don't need luck to earn big money \$\$\$! Refer a friend or family member to All Saints. If they sign a lease before March 31, you can earn a rent credit of **\$500!**

Ask Jeanne for details.
