Poem from Tracy

Tell Him So

If you hear a kind word spoken
Of some worthy soul you know-
It may fill his heart with sunshine
If you tell him so.

If a dee, however humble,
Helps you on your way to go,
Seek the one whose hand has helped you,
Seek him out and tell him so!

If your heart is touched and tender
Toward a sinner, lost and low,
It might help him to do better
If you'd only tell him So!

Oh my sisters, oh my brothers,
As over life's rough path you go,
If God's love has saved and kept you,
Do not fail to tell him so!

Joyce Kilmer

Twins Channel

We have made a quick change in our television channels to ensure we will be able to watch the TWINS games this season. All Twins games should be viewable on channel 12. However, when there is not a game in progress there will be no programming on the station. The only broadcasting on channel 12 will be the TWINS games. **Some of the major games may air on our local channels in that case it would be on our local channel and not 12.** This is the only option for us to allow TWINS games this season.

Sunday Cinema Showings

SUNDAY CINEMA

Every Sunday at 2pm. Meet in Chapel for a movie and popcorn!

Movie Listings:

4/6 - Pillow Talk

4/13 - Rio Bravo

4/20 - The Next Voice You Hear

4/27 - Primere Dance Performance in Community Room

Bus Trips

Be on the lookout for bus trips. This month we are making new trips as requested. If these trips are successful we will be able to continue them from time to time. As a reminder we need 4 or more residents signed up to go on a bus trip.

Spiritual Article

But I also say this: that light is an invitation to happiness, and that happiness, when it's done right, is a kind of holiness, palpable and redemptive. -Mary Oliver

What was the happiest day of your life? What made it a happy day? Were you alone, or were others there? According to Psychology Today, reminiscing with others can make you happier in the moment. Studies show that thinking about happy memories can interrupt negative thoughts and boost our sense of satisfaction. Making time to remember and share stories about our happiest days can have a significant impact on our overall happiness today and can even help us to bounce back when we face inevitable challenges. Reminiscing is good for the spirit and choosing to share and receive stories of happiness together is one way of experiencing holiness and healing. This month, try making time each day to share a happy story with someone, and see what happens!

Dietary

We are excited to announce our Spring/Summer menu will be starting at the end of April. As a reminder we encourage feedback for the beginning of a new menu so we are able to make changes and adjust as needed.

Spark Challenge

Our Forklift competition will start in just a few weeks! A few reminders this is an intergenerational competition where staff and residents can compete together. Our First practice will be Thursday April 10th at 1pm. If you have never driven the Forklifts or would like to get comfortable with them again this would be the best practice for you! Tuesday April 15th is our scrimmage week then we will be starting week one right after.

TV Channels

Channel Line Up

40 All Saints Movie	

March Memories

Easter Egg Hunt

Easter is coming soon and we are excited to announce we will be doing our annual community Easter Egg Hunt! The hunt will be Saturday April 19th 11am-1pm. Everyone is welcome so let your families know! We will have the Easter Bunny, Rollin Nolans food truck, and over 3,000 eggs!

Resident Survey

All Saints in conjunction with the Minnesota Department of Human Services (DHS) see quality as a top priority. With this, we are pleased to announce that this year's statewide Resident Quality of Life Surveys and Family Satisfaction Surveys will begin April 9th -11th.

In the next few months, you may receive a survey in the mail from Vital Research on behalf of DHS.

Vital Research is collecting the satisfaction surveys and is not connected with the Department of Human Services, other than their work on this project.

Your opinion is very important, and we encourage your participation. Both the mailed and online surveys are confidential, and we will not see your responses.

Specially trained staff from Vital Research will also be on-site interviewing a random sample of our residents April 9th – 11th. They have been trained to interview residents with a wide variety of disabilities and to stop the interview when a resident is unable to continue.

Residents can choose not to participate at any time. The interviews take an average of 20 minutes to complete and are confidential

The resident and family survey summarized results will be posted online as part of the Assisted Living Report Card consumer guide (<http://nhreportcard.dhs.mn.gov/>). The management at All Saints will also receive these results to help monitor our quality.

If you are a guardian or have power of attorney (POA) and would prefer that your family member or friend not participate in the nursing facility resident survey, please call Michelle Demcho at 952.233.7351

If you have any questions about the survey, please contact Vital Research at 855-241-7170 or mnqolinfo@vitalresearch.com.

Thank you in advance for your participation!
